Associate Cloud Engineer Certification

Issued by: Google Cloud

Issued to: Sasha Yuri Taylor

Issued on: 24 December 2023

Expires on: 24 December 2026

Description

Associate Cloud Engineers deploy applications, monitor operations, and manage enterprise solutions. They use Google Cloud Console and the command-line interface to perform common platform-based tasks to maintain one or more deployed solutions that leverage Google-managed or self-managed services on Google Cloud.

Professional Cloud Architect Certification

Issued by: Google Cloud

Issued to: Sasha Yuri Taylor

Issued on: 25 February 2024

Expires on: 25 February 2026

Description

Professional Cloud Architects enable organizations to leverage Google Cloud technologies. With a thorough understanding of cloud architecture and Google Cloud, they design, develop, and manage robust, secure, scalable, highly available, and dynamic solutions to drive business objectives.

Professional Cloud Security Engineer Certification

Issued by: Google Cloud

Issued to: Sasha Yuri Taylor

Issued on: 28 April 2024

Expires on: 28 April 2026

Description

A Cloud Security Engineer allows organizations to design and implement secure workloads and infrastructure on Google Cloud. Through an understanding of security best practices and industry requirements, this individual designs, develops, and manages a secure solution by using Google security technologies.

Professional Machine Learning Engineer Certification

Issued by: Google Cloud

Issued to: Sasha Yuri Taylor

Issued on: 4 August 2024

Expires on: 4 August 2026

Description

A Professional Machine Learning Engineer builds, evaluates, productionizes, and optimizes ML models by using Google Cloud technologies and knowledge of proven models and techniques. The ML Engineer handles large, complex datasets and creates repeatable, reusable code. The ML Engineer considers responsible AI and fairness throughout the ML model development process, and collaborates closely with other job roles to ensure long-term success of ML-based applications.

AWS Certified Solutions Architect – Professional

Issued by: Amazon Web Services Training and Certification

Issued to: SASHA YURI TAYLOR

Issued on: 11 January 2025

Expires on: 11 January 2028

Description

Earners of this certification have an extensive understanding of designing technical strategies to accomplish specific business goals. They demonstrated the ability to balance best practices and trade-offs based on business context. Badge owners are able to design solutions across multiple platforms and providers.
